Drawing Corrections

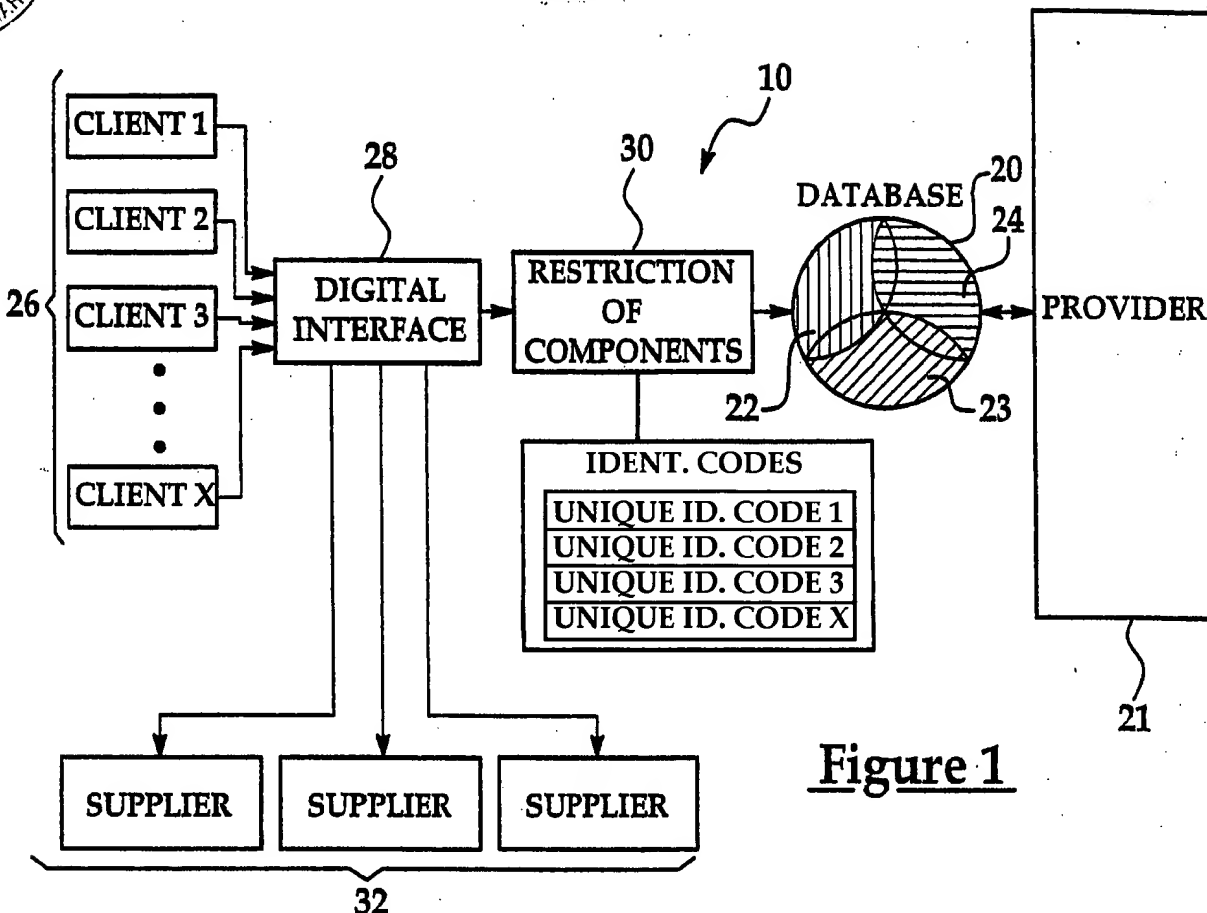

Figure 1

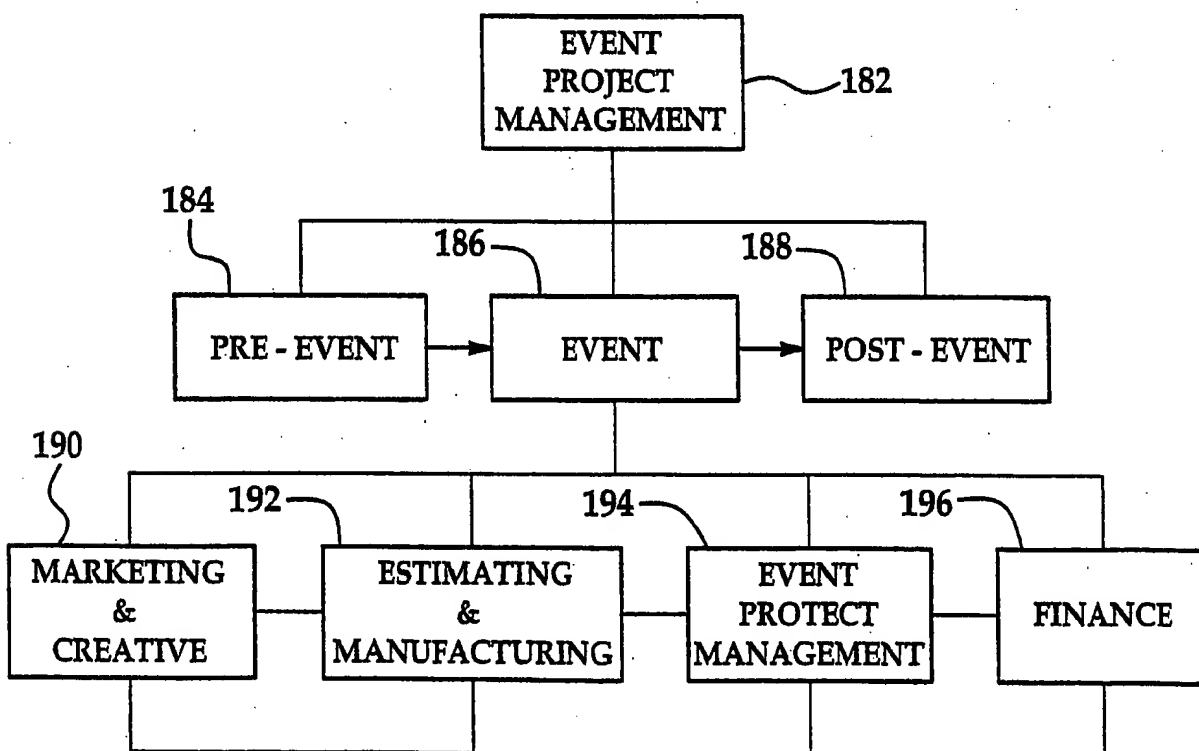

Figure 4

AMENDMENTS TO THE DRAWINGS

In accordance with the Examiner's instructions, one sheet of drawings corrections showing an amended Figure 1 and an unchanged Figure 4 have been submitted with this amendment. As amended, Figure 1 now expressly displays a record having all unique identification codes and a plurality of unique identification codes. Support for the amendment to Figure 1 is found at pages 11 and 12 of the specification and in original claim 3.
